So today, it's the old usual~~s~~ days,
Wake up at 6:00, which I hate the most.
Taking transportation for 1 hour, as a commute
student. Man, I kind of hate being a commute
student. I kinda wish I was dorming there.
Dorming is at least fun to make friends (roomates),
unlike commuting. I mean, it's like the same old
days when I commute to high school. So yeah,
that's kind of my rant on being a commute
student. ~~Ha~~ Oh I just remembered! I have to
do my stupid midterm ~~B~~ that's due tomorrow.
I'm halfway there, but it's such a pain in
the ass to ~~entype~~ type answers that made my
brain fry.

Hello there! So, the semester is ending soon. I can't even believe it. I thought I started college 3 weeks ago, while actually, it's 3 months ago. I can't BELIEVE it. To think the final semester is coming is crazy. Time has gone so fast. It's crazy. Now I have to study for the finals. But don't worry, I'm sure the finals are easy. After all, the classes I scheduled for this semester is easy at my level. I think I'll do just fine. But wait, I'm going to take harder classes next semester! CMON! That means I have to focus a lot. And I'm a laid back person. Being more responsible is a pain!

OH MY GOD! OH MY GOD! I CAN'T BELIEVE IT! MY FAVORITE TEAM!

Ok so basically I was watching the final match of 2022 Fifa world cup. And by far one of the best matches I ever seen.

Honestly, 2018 world cup final feel lackluster because ~~France~~ France is destroying Croatia. However, two talented teams, France and Argentina are competing against each other. First, Argentina takes a lead by 2-0 in the first half. Since I'm rooting for Argentina, I thought ~~they~~ France ~~can~~ couldn't stand a chance. But at

the 2nd half, one of France teammates, Mbappé, scored 2 goals in about 9 minutes. I was super stressed since France is taking a lead. After the match ends, the penalty shootouts happen. AND FOR THE FIRST TIME IN MY ~~LIFE~~ LIFE, I saw Messi hold the trophy for the first time. This is an achievement for Messi and me since I'm a Messi fan.
